**Here is what other past students have said about completing their Certificate IV in Leadership and Management qualification...**

*"The Office gives very helpful and precise support throughout the duration of this course. It was able to assist me in planning ahead to know where I'm headed and what I wanted to achieve overall. It has one on one training sessions with the trainers. I would definitely recommend this to others!"*  
Shannon Clelland

*"The qualification backed up what I do day to day. I learned more about company policies and environment factors which I'm now more aware of at work. It was a very accommodating course because it allowed me to do it in my own time and at times which suited me. It did not interfere with my workdays and therefore would certainly recommend the training to others. The GTI staff were always very supportive at all times. Excellent."* Paul Abbott

We are looking forward to helping you to complete your course and Advance your Career.
