

Course Essentials and Pre-Enrolment Information **BSB40920 Certificate IV in Project Management Practice**

Here's how to develop Your Career, Skills and become qualified in Project Management...

If you are involved in helping to manage complex projects or would like to move into Project Management, this course is for you.

Becoming qualified in Project Management is now considered a MUST have for a lucrative career in Project Management.

Your project management course is based around the nine knowledge areas within PMBOK – and used worldwide by Project Managers - project scope, time, cost, HR, risk, quality...

You will be developing practical project management skills and learning how to assist in the delivery of the overall project.

Discover and implement the practical strategies that will make a REAL difference to assisting to:

- ✓ Deliver projects on-time and in- budget
- ✓ Increase your project teams productivity, performance and morale

At the end of your course you will be able to add Project Management letters after your name and join Project Management Professional Associations.

Designed for busy people, you can study at your own pace and become qualified. With flexibility built in at every stage, you can maintain your work-life balance while building your future and advancing your Career.
